THE DENVER POST

# Thank you for supporting thousands in Metro Denver

*Your generous donation helped 54 deserving nonprofit agencies receive \$1.645 million in assistance.*

Dear Friend,

We are so grateful for your generous support of The Denver Post Season To Share presented by DaVita.

Thanks to kind donors like you, the 2018/19 campaign raised much needed funds to support the nonprofit organizations you see listed in this report. These dedicated agencies work tirelessly to prepare children and youth for success in the classroom and in life, protect children and families in need with medical care, house families and individuals in need of a permanent home, and nourish those who experience hunger. **Your donation, with a generous DaVita matching grant, made it possible for 54 local nonprofit organizations to receive \$1,645,000 in grants.**

On behalf of everyone who will be touched by your generosity now and in the future...thank you for your continued support. Together we make a difference!

Sincerely,

Lee Ann Colacioppo
