

Thank You. Your support is helping those who need it most.

Your generous gift made it possible for 55 deserving nonprofits to receive \$1.4 million in assistance.

Dear Friend,

We want to share our deep appreciation for your generous support of The Denver Post Season To Share campaign presented by Denver Active 20-30 Children's Foundation.

At a time when funds are needed more than ever, it's donors like you who are changing lives through your kindness. Your support is crucial in helping the dedicated agencies listed in this report continue fulfilling their missions. And as we all navigate this unprecedented time, it is even more apparent how important their tireless efforts are to prepare children and youth for success in the classroom and in life, protect children and families in need with medical care, house families and individuals in need of a permanent home, and nourish those who experience hunger. **Your donation, along with the Denver Active 20-30 matching dollars, made it possible for 55 metro Denver nonprofit organizations to receive \$1,400,000 in grants.**

On behalf of everyone who will be touched by your generosity, we thank you for your continued support. Together we are making a difference for those who need it most.

Sincerely,
